SISTER ANN IMMACULEE | The Sisters of Life are consecrated to protect and enhance a sense of the sacredness of human life. Immersed in contemplative Eucharistic prayer, within a vibrant community life, the Sisters act in imitation of the Blessed Mother, bringing the consoling presence of Jesus Christ, conceived beneath their hearts to every person they meet, especially those whose lives are hidden, weak or wounded. Their missions include caring for vulnerable pregnant women and their unborn children; inviting those wounded by abortion into the healing mercy of Jesus; fostering a Culture of Life through evangelization; retreat works at Villa Maria Guadalupe in Stamford, CT; and upholding the beauty of marriage and family life.

PATRICK REIS | Patrick is the Executive Director of Encounter Ministries and has a passion and drive to see Catholics empowered to walk in the power and love of the Holy Spirit. He carries a strong heart for evangelization, prophetic ministry and Christian unity. Patrick ministers and speaks at conferences internationally and was featured in the groundbreaking "Fearless" documentary and the upcoming "Revive" documentary. He is married to Emily and together they have six children.

SONAR WORSHIP | A Catholic band from St. Paul, Minnesota, with roots in many genres from electronic dance music to rock and pop to country and bluegrass. They are at home with both contemporary worship and traditional hymns. And whether it's a gathering of a few hundred or an event for tens of thousands, they are always striving to draw others deeper into worship through their music.
