

The world says these things will make you "HAPPY" ...

... But only GOD can truly fill the hole in your soul.

"You have made us for Yourself, O Lord, and our hearts will remain restless until they rest in Thee."

-St. Augustine, 354-430 AD

## **Making it Personal**

Spend some time alone with the Lord and reflect on the following questions:

- 1. How do you currently view God? Are you close to him or does he feel distant to you?**
- 2. How have you felt the world tell you what will make you happy? Do you believe these things will make you happy? What happens when you finally accomplish those things?**
- 3. Regardless of if God is close or distant to you, how can you deepen your relationship with the Lord?**
- 4. Reflect on your life so far...who are you? What are you looking for in life?**
