2012 PARISH PERSONNEL SURVEY	17-19

November 2014

Greetings,

Thank you for taking time to complete the salary survey. The goal of this document is to help all parishes in the Diocese of Green Bay discern fair wages for various positions in a parish. Remembering, “a just wage is the legitimate fruit of work.” CCC 2434. Not included in this document is salary information principals and teachers, as this information is available by contacting the Diocesan Education Department.

We had responses from 62 of the 157 parishes in the Diocese of Green Bay. To make this document more applicable for parishes, four population categories were created similar to other dioceses and national groups using contributing units (a household in a parish that contributes \$100.00 or more). The categories are: less than 250, 250-499, 500-999, and over 1000 contributing units.

Special thank you to the National Association of Church Personnel Administrators (NACPA) for allowing us to include the national salary range for the Midwest region from the Wage & Salary Survey of Catholic Parishes.

If you have any questions about the salary survey, contact Deb Wegner-Hohensee at (920) 272-8286 or toll free (877) 500-3580 ext. 8286, dhohensee@gbdioc.org.

Respectfully

Deborah Wegner - Hohensee

1. The titles for Office Manager, Bookkeeper/Administrative Assistant and Secretary-Parish/School appear to be used inter-changeably. Duties from all these areas are included in some positions.
2. The Religious Educators often work 9 - 10 months of the year, the weeks are noted in these categories. Also, because so many parishes share staff, many work Full Time but divide their time between 2 or more parishes.

June 10, 2014

Dear Pastors, Pastoral Leaders/Coordinators and Business Administrators:

We are asking for your assistance in updating the attached Parish Personnel Salary Survey. Our goal is to have 100% parish participation. Please complete and return to Stewardship & Pastoral Services by **July 31, 2014**. It is our plan to have the results tabulated and back to you this Fall.

During the year our department receives requests from parishes on wage/benefit data to assist in creating their budget. As the Catechism #2434 states: "A just wage is the legitimate fruit of work." This survey tool helps parishes determine appropriate compensation packages for employees from the compilation of responses for various positions.

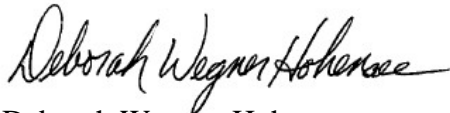

The survey is being disseminated to Pastors, Pastoral Leaders/Coordinators and Business Administrators/Managers. We have made it available electronically as both a *fill-in Word form* and also as an *Excel spreadsheet*. These can be downloaded from the diocesan website at: <http://www.gbdioc.org/stewardship-and-pastoral-services/parish-administration.html>. You may find it helpful to use the Word form for the job descriptions and as a worksheet, when completing the information in the simpler Excel format.

Please provide salary information for the time period of July 1, 2014 through June 30, 2015. We will tabulate your responses into five categories by size of parish: less than 250 contributing members, 250-499 contributing members, 500-999 contributing members 1000-1999, and over 2000 contributing members. This is similar to the population groups used in other dioceses.

The data you submit will be held in the strictest confidence. The survey compilation will provide salary averages and ranges based on size of parish. The booklet will be published in Autumn 2014. All those parishes participating in the survey will receive their paper copy of the booklet free of charge.

Thank you very much for your assistance. If you have any questions, please contact Deb Wegner-Hohensee at (920) 272-8286, toll free 1-877-500-3580 ext. 8286, or dhohensee@gbdioc.org.

Blessings,
